To help us correctly adjust ongoing and related claims, please fill out Section 2 to the best of your knowledge at the time of completion.

- If the condition is unknown, please specify clinical signs or "suspected illness" ie: fever, weight loss, lethargy.
- Date of First Clinical Signs: For reoccurring or chronic problems, please indicate the date the pet first showed clinical signs of this or a related problem. For example, a pet initially had an ear problem starting June 1st according to the owner, and was seen at your practice on June 3rd. If you are submitting a claim for another ear problem two months later, the date of first clinical signs for Ear Problems is June 1st.
- If multiple problems are being claimed for, please write the problem number (1, 2 or 3) on the corresponding receipt(s), or beside the corresponding fees.
